White House 7th Annual VEX Winter Tournament

The Northeast High School Robotics Teams and JROTC Robotic Team 5999J competed at the White House 7th Annual VEX Winter Tournament at White House High School - Annex, White House, TN on 28 January 2023. The Cadets / Students compete in their skills set against school from across the state to improve their robotics skills, improve their teamwork, learning to solve problems in a tense environment and meet and interact with other robotics students. Congratulation to the NEHS Robotics' Team 5999S. The NEHS JROTC Team 5999J also completed and learned a great value in teamwork and solving problems in a stressful environment. We are so proud of our Robotic teams. Congratulations and Go EAGLES!
